**Re: Clarke Capital Management Inc.
NFA ID #251742**

Dear Mr. Wesolowicz:

NFA has reviewed the July 31, 2018 disclosure document (Document) that was received on August 20, 2018 and has no comments at this time. As such, effective immediately, the Document may be used to solicit clients. While NFA's review focused on the highlighted changes within the Document, we did not verify those changes. Therefore, NFA or the CFTC may raise compliance issues with the content of the Document at some future time. If you have any questions concerning this matter, please contact me at 312-781-1508.

To facilitate NFA's review and acceptance process, future filings of this Document must include two attachments, one that is a clean copy and one that is "marked" to identify the deletions and additions that have been made to this Document. NFA will reject any future filings of this Document not in this format. If you have any questions or comments, please contact me at the above number or via email scarter@nfa.futures.org.

Sincerely,

Stacey Carter
Compliance Department
